Bright straw-yellow. Aromas of fresh pear and Meyer lemon are complicated by suggestions of honey and chamomile. Silky, seamless and broad in the mouth, offering concentrated yet lively citrus and orchard fruit flavors that pick up a smoky mineral element on the back half. Finishes long and sappy, with a touch of fennel and a refreshingly bitter orange zest accent.

Pale gold. Smoke-accented orange and pear scents show a slightly reduced character. Chewy and focused in the mouth, offering bitter lemon pith and pear skin flavors that deepen on the back half. Finishes with solid thrust, repeating smokiness and a lingering suggestion of candied fig.
